

**Kathleen Farmer, Psy.D.
Psychologist**

Dr. Farmer is the co-founder of Primary Care Network and Headache Care Center in Springfield, Missouri and specializes in biofeedback and pain management. A diplomate of the American Academy of Pain Management, she is the co-author of *Managing Migraine: A Healthcare Professional's Guide to Collaborative Migraine Care* (Baxter Publishing, 2008), *Managing Migraine: A Patient's Guide to Successful Migraine Care* (Baxter Publishing, 2008) (www.managingmigraine.org), and the patient education book *Headache Free* (Bantam Books, 1996).

She serves a consultant to Primary Care Network which is an ACCME accredited CME provider as well as an organization of over 70,000 clinicians linked via the internet and dedicated to quality patient care. She has co-authored *The Migraineur's Guide to Migraine* (www.headachecare.com) and *Patient-Centered Strategies for Effective Management of Migraine*. She has written book chapters and journal articles on alternative treatments for disabling headaches, psychological assessment tools, and psychophysiological disorders. She has conducted research in the non-pharmacological treatment of disabling headaches, with special interest in pediatric migraine and cognitive efficiency associated with migraine.
